FRIENDSHIPS...

are built with a variety of daily small and large group activities including games, arts and crafts, sports and competitions. Campers are assigned to small groups based on their age and interests. This camp is very active with swimming every day, as well as campers walk to local parks, the Talcott Library and more. Campers are taught the YMCA's four core values of caring, honesty, respect and responsibility.

MEMORIES...

for a lifetime are built at Camp Y-Don't-U-Go.

Campers come to us from a variety of area public and private schools including Prairie Hill, Roscoe, Rockton, South Beloit and Harlem School Districts.

Each session, campers will be assigned to a counselor who will spend their week playing a variety of fun activities with them including team sports, wacky challenges and water games.

Camp counselors are college students certified in First Aid and CPR.

Throughout the week, campers participate in a variety of activities that encourage campers to step outside their comfort zone. This allows campers to build new friendships, self-confidence, and a lifetime of memories.

Every week is a different theme and an all day field trip on Wednesdays.
