SHARING OUR STORY

The Y is a 175-year-old organization whose work is needed now more than ever. Our nation is increasingly divided. Places where common ground is found are a rarity, and digital bubbles further separate us. We are polarized, lonely, and craving real human connection.

SHOWING OUR STORY

Our brand identity is one of the most powerful ways to bring our promise to life. The basic elements—logo, benefit-driven headlines, tagline, imagery, font, color, areas of impact—are the building blocks for consistently and effectively communicating who we are and how we impact our communities.

LOGO VARIATION

Our logo adds vibrancy to our identity. The Y has a masterbrand strategy that mandates the use of a single, stand-alone logo. Below are the **only** acceptable versions of our logo. Make sure to use a variety of logo colors in your Y location, and use the knockout and black versions only when necessary. Logo color should not be assigned to a location, department or program. The logo is available in full-color, 2-color, white and black on the Brand Resource Center.

AREAS OF IMPACT

When we do present our areas of impact with our logo, we provide a clear framework around how we strengthen community and where our impact can be seen. When a logo is paired with the areas of impact, the primary color from the logo is applied to the areas of impact. Do not alter these colors for any reason. **Do not use the areas of impact without the logo.** The areas of impact are available in full-color, 2-color, white and black on the Brand Resource Center.

CLEAR SPACE/AREAS OF IMPACT

The correct amount of clear space gives our logo maximum impact. The minimum clear space around our logo is equal to the full height of the word “the” in the logo. Also shown is the preferred relationship of the logo to the areas of impact: FOR YOUTH DEVELOPMENT aligns with the baseline of “the” in the logo; FOR SOCIAL RESPONSIBILITY aligns with the baseline of the logo.

MINIMUM SIZE

To ensure legibility, the logo must always be **0.25” in height or larger.**

PHOTOGRAPHY

Our approach to photography conveys the feelings of community; a community that is strengthened by our work in connecting people to their own potential and to each other. Whether the photo is showing people in an activity, conversation or just present, it will communicate our optimism and the determination that drives us toward a better future in every one of our local communities. **Photographs show the human connections made at a Y in a natural, authentic way.**

ILLUSTRATION

Illustrations are another way we can convey community. When our illustration style is applied in our brand colors, it can be a powerful storytelling device, sparking interest and driving action. Our illustrations are clean and simple and should visually complement the logo.

Use illustrations from the Brand Resource Center or create illustrations that align with the brand visual identity. This is achieved by rounding the corners, reducing details where possible and no use of black outlines. **Do not use clip art.**

SHARING OUR STORY

The Y’s brand reflects our true identity—a vibrant, innovative and diverse nonprofit organization that is devoted to strengthening community. We combine words, imagery, logo, color, font, areas of impact, benefit-driven headlines and our tagline to communicate with a common voice how we strengthen community by connecting all people to their potential, purpose and each other.

Our Brand Architecture provides a well-developed hierarchy that structures how we order and represent information, showing how our activities ladder up to higher levels of impact. Its elements are identified by number on the layouts and explained below.

1. **The logo** is bold, active and welcoming, and it represents our determined commitment to deliver lasting personal and social change. There are five color options from which to choose, reflecting the diversity of our communities and the breadth of our offerings.
2. Create a message that matters. **The benefit-driven headline** should lead with why we do what we do and speaks to outcomes and impact, rather than simply naming programs or telling people to “sign up” and all supporting language reflects our personality. Only our brand fonts, Cachet or Verdana, are used.
3. **The images** we choose need to reflect our feelings of community. Select images that are clear and high quality.
4. Our **areas of impact** and their description help people understand the totality of our organization, and tell where we have an impact, connecting what we do with why we do it.
5. **Our tagline** is a succinct expression of our brand purpose to strengthen communities. Use of “For a better us.®” is encouraged in public-facing marketing and communications. Format as shown on page 7.
6. **Location** must be on all caps.
